| Direct inversion of transmission synthetic seismograms, D. Loewenthal, P. R. Gutowski, and S. Treitel | 5 | 886 |
| Discussions | | |
| On: "Applications of the generalized inverse to the inversion of static potential data," J. Cribb (December 1976) by R. T. Shuey and P. E. Wannamaker with reply by author | 1 | 194 |
| On: "Time dependent electromagnetic fields of an infinite, conducting cylinder excited by a long current-carrying cable," S. K. Verma (GEOPHYSICS, April 1973) by Shri Krishna Singh (April 1977) reply by author | 4 | 828 |
| On: "Interpretation of gravity anomalies due to finite inclined dikes using Fourier transformation," V. L. S. Bhimasankaram, R. Nagendra, and S. V. Seshagiri Rao (February 1977) by G. P. Hersir, J. O. Nielsen, and L. B. Pedersen with reply by authors | 4 | 823 |
| On: Seismic Raypath Migration with the Pocket Calculator, Paul Michaels (August 1977) by Peter Hubral with reply by author | 5 | 1023 |
| On: "A modified pseudosection for resistivity and IP, (GEOPHYSICS, August 1977) by L. S. Edwards with reply by author | 6 | 1275 |
| On: "Reduction of magnetic and gravity data on an arbitrary surface acquired in a region of high topographic relief" (December 1977 GEOPHYSICS) by B. K. Bhattacharyya and K. C. Chan | 6 | 1274 |
| On: "Diffractions for arbitrary source-receiver locations", A. W. Trorey (GEOPHYSICS, October 1977) by Milos J. Kuhn with reply by author | 6 | 1270 |
| On: "Diffraction response for nonzero separation of source and receiver," John R. Berryhill (GEOPHYSICS, October 1977) by Milos J. Kuhn with reply by author | 6 | 1269 |
| On: "Wavefront curvature in a layered medium," by B. Ursin (GEOPHSYICS, August 1978) by Peter Hubral with reply by author | 7 | 1551 |

**SEG STUDENT SECTIONS**

*(Continued from p. 1578)*

**Oregon**
Oregon State University, Corvallis

**Pennsylvania**
Penn State University, University Park

**Texas**
University of Texas at Austin
University of Texas at Dallas
University of Texas at El Paso
Texas A & M University, College Station

**Utah**
University of Utah, Salt Lake City

**Washington**
University of Washington, Seattle

**Wisconsin**
University of Wisconsin, Milwaukee

**Wyoming**
University of Wyoming, Laramie

**Australia**
University of Adelaide
University of Tasmania, Hobart

**Canada**
University of British Columbia, Vancouver
University of Western Ontario, London

**England**
Royal School of Mines, Imperial College, London

**Japan**
Akita University

**Mexico**
Universidad Nacional Autonoma de Mexico, Mexico City

**New Zealand**
University of Auckland

**Spain**
University of Madrid School of Mines

**Venezuela**
Universidad Central de Venezuela, Caracas
